TO OUR PATRONS

We may not do the dances the way the federation or other groups do. That does not mean that they or we are wrong. Dances do have versions. The dances taught here are either the way I have done them myself while in Europe or the way they were taught to me at the source where I learned. herefore, "When in Turkey do the way the Turks do." Do the dances the way they are done wherever you visit.

THE DANCE OF LIETUVA

We cannot urge too strongly that you secure a copy of this book for your folk library. The book contains fifty-five dances and various versions.

III. Popular Lithuanian and Lithuanianized Ballroom Dances.
